

Indian Trade Fairs 2026

With major metropolitan areas equipped with world-class venues, India hosts several international trade fairs in across diverse industry sectors such as tech, automotive, food and food processing, renewable energy etc.

Key Cities and venues include:

New Delhi: Home to Pragati Maidan and the newly inaugurated Bharat Mandapam, where some of the largest international events like the India International Trade Fair and Auto Expo are organized.

Mumbai: Features prominent venues such as the Bombay Exhibition Centre (BEC) and Jio World Convention Centre, which are popular for a wide range of industry-specific and general trade shows.

Bangalore: The Bangalore International Exhibition Centre has been the venue for shows such as IMTEX and BTS (Bangalore Tech Summit)

Chennai: Most exhibitions are held at the Chennai Trade Centre

Coimbatore: Codissia Trade Fair Complex is home to the important Inter Foundry

Gandhinagar: Increasingly popular with its Helipad Ground Exhibition Centre
